# Addition Notes
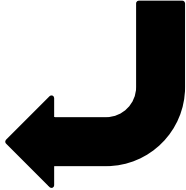

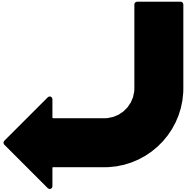

Write the equation vertically and be sure to line up the place values of each number.

| Change horizontal equations like this… | To vertical equations, like this… |
|---|---|
| 234 + 468 = | 234<br>+ 468 |

❖ Start adding in the smallest place value, which is the ones place for $3^{rd}$ graders.
❖ Regroup to the place value to the left.

| Thousands | Hundreds | Tens | Ones |
|---|---|---|---|
| 3, | 8 | 2 | 9 |
| + 5, | 2 | 2 | 5 |

❖ Addend - _____
_____

❖ Sum - _____
_____

❖ Equation - _____
_____
